

The Phones We've Tested So Far...

These devices were tested with the latest available version of SYNC software.

Note: Listing of specific phones and service providers is intended to show the technical compatibility of the phones with SYNC. It does not imply a relationship between Ford Motor Company and the mobile phone manufacturers, service providers or the media player providers.

The Media Players We've Tested So Far...

These devices were tested with the latest available version of SYNC software.

Note: Listing of specific phones and service providers is intended to show the technical compatibility of the phones with SYNC. It does not imply a relationship between Ford Motor Company and the mobile phone manufacturers, service providers or the media player providers.
